

# ANNUAL CHECK LIST

---

- Cut back bushes, shrubs, plants, etc.
- Keep items away from logs to avoid back splash
- Clean gutters and downspouts
- Check if the stain is repelling water
- Clean any mold, mildew, and algae
- Check caulking / chinking for breaks
- Fill and repair checks and cracks in wood
- Spray boring insect holes
- Check log ends and apply a coat of stain if needed
- Winter: Shovel snow away from logs
